
Title: Fact-Finding Mission

Author: Hardcore Hoss

Miners - Minoc - Spoke
with Hamlyn the Miner
who suggested that we
share an ale and talk,
after having a drink he
told me that the wealth
of
Mount Kendall seems
unending, unlike the
health of those who work
to free her riches.
Mages - Moonglow -
Elyes the Mage - Council
of Mages fare just fine
without interference from
the mainland. All the
constant inspections
under the guise of
'fact-finding' makes them
think they aren't trusted.
Farmer - Britain - Stell
the Farmer - things are
a
bit tricky right now. The
yield wasn't what we
wanted this this year.
The Onions failed. Rotted
from within. Asked for
gold. Was given 1000
Gold. Thanked me and
said. We fare well, but
only just. Life is hard
when the crops don't
come.

Rangers - Brae - Moll
The Ranger - Rangers
remain faithful, but
perhaps a little
recognition by the Crown
would be nice.
Sailors - Vesper - Rolf
the Sailor - There's an
overdue ship outa Jhelom
that hasn't reported in
for
a week noow. It was last
spotted north towards

Dragon Island. He
believes the worst has
happen. And suggests I
search for survivors. I
traveled
to Dragon island by boat
and there I came upon a
survivor. Wilson the
Shipwreck Survivor. He
stated that he needs a
way off the island but
also needs fewer pirates
roamin' the waters
around Jhelom. Their
boat had been set upon
by
upon by pirates just
north
of Jhelom and His
Highness needs to know,
the waters are teemin'
with pirates these days.
